## Protocol for ISB AMPBA Programme Batch 15

17<sup>th</sup> March 2021 to 21<sup>st</sup> March 2021

### 1. Preamble

As per the programme schedule and the feedback received from the students, the 2<sup>nd</sup> term of Advanced Management Programme in Business Analytics (AMPBA) batch is scheduled from 17<sup>th</sup> March 2021-21<sup>st</sup> March 2021.

The purpose of this Process Document is to ensure safety of the Participants, Faculty, and Staff by adopting suitable prevention and protection measures against spread of COVID-19.

Government agencies including health authorities are framing out and implementing various strategies to reduce rapid infection of the SARS-CoV-2 virus which cause the disease COVID-19. However, the potential spread of SARS-CoV-2 is inherent and there is need for strategic control in the prevention of such spread.

Mid-career, senior officials and faculty from renowned institutions are participating in the current batch.

Guidelines for possible prevention strategies for Participants, Faculty and Staff set forth herein as under.

### 2. General Instructions

The only way to prevent people from getting infected with COVID 19 is to control its transmission from one person to another. This can be done by following personal hygiene, social distancing, and by disinfecting common surfaces and touch points. In addition to this, everyone must follow the instructions listed below.

1. Wearing of a mask covering the mouth and nose is mandatory at all non-private places within the venue

2. Every person must ensure social distancing as per Ministry of Health guidelines at all non-private places

3. Ensure social distancing through adequate gaps between any two persons, etc.

4. Thermal scanning, hand wash facilities, and sanitizer will be made available at all entry and exit points and common areas

5. A gathering of more than 5 persons at any single place such as lobbies, food courts, outside areas is not recommended

6. Frequent sanitization of workplace, common facilities & all points of human contact to be ensured

7. Persons with comorbidity and pregnant women should be careful

8. *Nearby Hospitals / clinics authorized to treat COVID-19 patients to be identified & listed at strategic points*

9. *Participants showing any symptom of COVID-19 to be immediately sent for check-up as per Government protocol*

10. *Quarantine areas to be earmarked for isolating Participants showing symptoms till they are safely moved to medical facilities, if required.*

11. *No Spitting in public places, violation attracts action as per relevant Act*

12. *Use of Arogya Setu app recommended for all Participants. This app has to be active at all times and Authorities have right to track movements in case of any suspected COVID-19 positive cases*

### 3. Venue

- Term 2 of Batch 15 will be conducted at ISB Hyderabad Campus.
- ISB has ensured that all safety and hygiene protocols will be in place.
- ISB has 'COVID 19 Safety Protocol'. It captures all the COVID 19 safety guidelines as per Central and State Government guidelines. The same will be shared with participants.

A handwritten signature in black ink, appearing to be in cursive script, located in the bottom right corner of the page.

- d. In addition, we are stipulating additional guidelines for Participants, Faculty, Staff to be followed during the stay in the venue.
